**Primary Narrative By Lance Kuretza, 01/22/18 01:30****INCIDENT**

On 1/20/18 Deputies where dispatched to a disturbance at the Residence Inn on Willowdale Rd Morgantown Monongalia County WV. Deputies where advised that there where multiple males fighting and their where threats being made too shoot someone.

Upon our arrival we made contact with two rooms of males in various states of intoxication. I made contact with a male later identified as Quintin Graciano who was lying on a bed inside one of the hotel rooms. I announced myself several times but Graciano refused to get up.

I attempted to shake Graciano awake and he pushed me away. I eventually was able to wake Graciano fully at which time he struck me with his fist. Graciano then rolled out of the bed and a physical confrontation ensued.

Graciano continued to punch and kick me while I attempted to put him under arrest. I struck Graciano in the face using both my fist and elbow until he was flat on his back.

Graciano continued to fight and resist me on the ground and Deputies Mongold and I. Coe aided me in subduing him.

I used knee strikes while on the ground with Graciano to try and gain control of his arms. Graciano appeared to be reaching towards his waist band and I was unsure if he had a weapon. I sprayed Graciano with pepper spray in an attempt to distract him and gain control.

Graciano was eventually handcuffed but he continued to fight deputies on scene by kicking, stomping feet, spitting, using his body weight to smash deputies into walls, and resist us. Graciano also refused to follow any lawful commands.

After a lengthy struggle Graciano was finally subdued and he announced "Ok I'm done". Graciano however continued to struggle with us and pull away while being escorted to my cruiser.

Graciano was eventually secured in my cruiser and transported to the MCSD where he was processed and searched more thoroughly and a small bag of marijuana was located in the back pocket of his jeans.

Graciano was decontaminated of the pepper spray by myself and two transport officers due to a lengthy response time by EMS. Graciano was seen by EMS on station but refused treatment. Graciano was then processed and left in holding to await arraignment.
